Contacts in Halls of Residence ...................................................................................... p. 26
Dear residents,

Thank you for choosing to stay in a university hall of residence run by Crous de Lyon.

The Centre régional des œuvres universitaires et scolaires is a public institution that depends on the French Ministry of Higher Education and Research, which is in charge of implementing State policy in student welfare.

The Crous de Lyon forms part of the network of œuvres universitaires et scolaires (student welfare offices), headed by the Centre national des œuvres universitaires et scolaires (Cnous).

It is tasked with facilitating access to higher education as well as student welfare as a whole focusing on four areas: social assistance, housing, university catering and culture.

The Crous de Lyon works closely with the local authorities (region, conurbation, cities), the Community of universities and institutions of the Lyon Saint-Étienne site (L’Université de Lyon) and higher education institutions, to develop student welfare together.

The implementation of a joint consultation with the above-mentioned stakeholders has resulted in a shared vision and objectives centred on student welfare.

The city of Lyon is one of the French cities where students can enjoy a pleasant study environment therefore making it particularly attractive. I am convinced that you will have a great university experience and a lot of fun living in the Rhône, Loire or Ain Department.

This guide should provide you with all the information you need to move into your university hall of residence,
We are on the verge of a new academic year. At this very moment, we wish you to have a good moving in to your new hub of life where you will be staying for the year to come.

The elected students at the Crous de Lyon are happy to welcome you to the halls of residence for this new academic year and we wish you to adjust well to our pleasant Auvergne-Rhône-Alpes Region.

As students representatives on the Crous de Lyon Board, we are available to support you all throughout the year, and more specifically, during your studies within the Lyon, Saint-Etienne, Roanne and Bourg-en-Bresse areas.

Every question matters, be it about the Crous organisation, the different services it offers or general information requests! So do not hesitate to ask us!

This guide will provide you with most answers to the questions you may already have on your move and on the beginning of this new chapter which starts for you!

Wishing you all a great start to the year!

Settling in
upon arriving in the hall of residence

What do I get?

✔ my keys and/or a badge
✔ my resident card
✔ my Internet connection codes
✔ the check in form

What do I need to do?

✔ entrance check-in: I fill out the pre-filled form, sign it then drop it at my hall of residence reception WITHIN 48H UPON ARRIVAL

✔ rent: upon arrival, I pay the first month of rent online via www.messervices.etudiant.gouv.fr: I go to «Gérer son logement» > «Cité U»

✔ social housing allowance: I download the CAF certificate on www.messervices.etudiant.gouv.fr under the «Gérer son logement» > «Cité U» > «Mon logement actuel» category, then I apply online on the CAF website www.caf.fr (for details check the following page 9)

✔ resident card: I provide my hall of residence reception with 2 photographs to complete my resident card

✔ mail distribution: I give the following information to people who want to send me mail: the building number, the exact address and zip code. Packages must be sent to Points Relais because the hall of residence reception cannot receive packages, for security reasons

The first day I spend in my apartment, I let water run from the faucets for 10 minutes to renew water in the pipes.
Rents are expected no later than the 12th of each month

If I pay my rent myself:

• I can go to my hall of residence’s administration and pay by credit card, check or cash.

• I can make a bank transfer: I need to ask my hall of residence’s administration for a RIB (Crous bank account details).

• I can pay online:
  1. I make sure to have the following items ready:
     ✓ my credit card
     ✓ my INE number (« Identifiant National Étudiant » indicated on my enrollment certificate or on my scholarship notification). If I don’t have it, I indicate my room number.
  2. I log into my personal account via www.messervices.etudiant.gouv.fr
  3. In the «Gérer son logement» category, I click on «Cité U» then select «Crous de Lyon»
  4. I click on «Payer le loyer» (“Pay the rent”) and proceed safely
  5. I will receive a confirmation email that will double as a receipt for the transaction

If my rent is paid by my parents or a tierce person:

  1. They visit the following site https://cite-u.crous-lyon.fr/citeU-LYO/
  2. They enter their email address so they can receive the transaction receipt. They must also provide information on the tenant (INE number + lastname + first name + date of birth) and the amount of the rent
  3. They click on «Payer le loyer» and proceed safely
  4. They receive a confirmation email
I Social Housing Allowance (CAF)

**Required documents/information:**
- ✔ an email address I check on a regular basis
- ✔ the admission notification and financial annexes
- ✔ documentation stating my income over the past two years
- ✔ the details of my bank account in France, known as a RIB (including the BIC/IBAN numbers)
- ✔ if my parents already have a CAF account, their subscription number
- ✔ the contact information of my hall of residence
- ✔ the amount of my rent (without amenities)

**IF MY PARENTS ARE RECEIVING ALLOWANCES FROM THE CAF:** I am aware should I benefit from the housing allowance, I will be withdrawn from their administrative household, which could result in a decrease in the allowance my parents are receiving. Allowance could even be canceled.

I visit the following site to apply to housing allowance: [www.caf.fr/faire une demande de prestation](http://www.caf.fr/faire une demande de prestation).

The housing allowance starts one month following my entry in the room and is not retroactive!

If I don't apply within the first month which follows my room entry, I will not receive the allowance for the time prior to my application.

The first allowance installment usually occurs two months after the application has been submitted.

For example, if I apply online in September, I am eligible from October onwards and will receive the first installment beginning of November.

I Connecting to the Internet

All residences (except for the accommodations in residences for elders) have an Internet connection via the Wifirst network (SmartCampus or PlanetCampus depending on the hall of residence).

If I have trouble connecting to the Internet or with the network stability, I call the assistance line (01 88 24 61 68) to inform Wifirst of the incident.

I would have to give them my lastname, first name, location, hall of residence or building name, floor and room number.

I write the incident number down and email it to my hall of residence administration to inform them.
How to log in the PlanetCampus network:

1. I select the Wi-Fi network « PlanetCampus »

2. the connection portal automatically opens. If it does not open, I type the following URL in my browser: « https://portal-selfcare.wifirst.net »

3. there are two connection options:
   - Through my account
     MesServicesEtudiant.gouv.fr (MSE):
     ✔ I click on « S’identifier avec MesServices Etudiant »
     ✔ I enter my MSE login information (email address and password)
     ✔ I will be redirected to the portal to create an account on PlanetCampus
     ✔ my connection is validated once my account is fully confirmed
   - Using my connection code:
     ✔ I ask the hall of residence staff for a code when I receive my keys
     ✔ I enter the code onto the « Code de connexion » line on the PlanetCampus portal
     ✔ I open an account on PlanetCampus.
     ✔ I enter my lastname, first name, email address and choice of password
     ✔ my connection becomes active once my account is validated

Good to Know

I can activate the private Wi-Fi option for free in order to connect all my devices on my own private network. I visit my customer account (selfcare.wifirst.net). I go to the menu « Wifi privé » and get my Wi-Fi key. I can then enter this key into every electronic device I want to connect to the Internet with.

How to Prepare Before I Leave

The contracts are for a period of 12 months, but I can leave before the end. I am aware however that if I leave earlier than the end of my lease contract, I will not be able to apply for renewal. 2. Inventory
   I have to make an appointment with the administration of my hall of residence for the room check out inventory.

3. Cleaning
   I ask the cleaning guidance sheet to my hall of residence reception. I make sure my room is completely empty and clean BEFORE checking out.
4 Inventory
I complete the checkout inventory

5 Mailbox
I make sure my mailbox is empty, inform the Postal Service of my change of address, and set up mail redirection.

6 Return the keys
I return the keys, badge, and pay any pending expenses I could have.

7 Security deposit
I check if the security deposit is returned to me within one month upon returning the keys. My security deposit is subject to financial penalties.
